Terms of your Telematics Policy

By taking out a **AIG Box Clever policy** **you** agree to having a **box** professionally fitted to **your car** by **us** or **our** approved installer and to having **your** data collected and used as provided for below.

We issue **you** with a **certificate of motor insurance** and provide cover to **you** subject to the terms and conditions of **your policy** for an initial period of 12 months.

Your cover is connected to the number of **kilometres** that **you** drive. When **you** purchase **your policy** from **us**, **you** choose and pay for **policy kilometres** for the **period of insurance** which are measured when **you** drive **your car** by a telematics **box** fitted to **your car**. **You** can earn **reward kilometres** for safe driving and/or buy additional **top-up kilometres** if **you** need more than the **policy kilometres** **you** are allowed in any one **period of insurance**. Please see Important Terms of **your** Policy Item 11 **Kilometres** for more details.

You must notify all **insured persons** on **your policy** or any other person who drives **your car** that a **box** has been installed in **your car**, that their journey will be monitored and data collected, that **you** will have visibility of their data via www.ratemydriving.ie and provide them with the information set out in this **policy** regarding the use of their personal information. If you sell **your car** **you** must advise

us of the sale of the **car** so that **we** can de-activate the **box** and **you** must also advise the new owner of the **car** that a **box** is fitted.

1. Data to be Collected

The **box** will capture data from the date of installation via an electronic data feed which will translate the GPS co-ordinates from the **box** providing various information including speed limit of the road, road type and the road surface **you** are driving on at that time.

The types of driving behaviour which will be recorded may include time and date of journey, distance travelled, location coordinates, speed, braking frequency and force, acceleration and cornering.

We will collect this data in respect of any driving of **your car**. Therefore **we** will collect this data in respect of **your** driving and all other **insured persons** or any other person driving **your car**.

2. Use of Data Collected

The data will be used to calculate **your AIG Box Clever score**. In addition **we** may aggregate information obtained from the data to conduct anonymous profiling and to develop **our** products and services.

Dotsys Ltd will process and securely transmit the anonymised data to **us**.

We are a data controller as defined in the European General Data Protection Regulation (Regulation (EU) 2016/679), as amended from time to time. **We, our** agents and **our** service providers will process **your** information in accordance with the European General Data Protection Regulation (Regulation (EU) 2016/679), as amended from time to time..

The information obtained through the **box** will be used by **us, our** agents or **our** service providers:

- In respect of the installation, removal, de-activating and servicing of the **box**;
- To provide **you** with data on www.ratemydriving.ie regarding **your** driving;
- In the calculation of **your AIG Box Clever score** based upon **your** recorded driving behaviour;
- Where **you** make a claim;
- To provide **you** with theft

tracking in respect of **your car**;

- To aggregate information which **we** will use in the development of **our** products and services including the **AIG Box Clever score** calculation.

Important information **we** would like to bring to **your** attention: The information obtained from the telematics box or device may be used by **us, our** agents or **our** service providers when handling a claim.

We may also use the telematics box data to do the following:

- Create a simple pictorial reconstruction to understand the potential cause of an accident or crash.
- Reconstruct a full 3D view of the seconds leading up to and during the accident or crash.
- Establish an indication of expected damage to the car.
- Detect low velocity impacts and potential fraud.
- Use live GPS location data to track and recover **your** car due to theft.

We may receive accident reports in real time from the telematics box.

We may try to contact **you** by telephone to offer assistance if **we** deem an accident has occurred. Please see sub-section 15 below for further information.

3 Disclosure to Third Parties

We may disclose information collected by the **box**:

- Where **you** have provided **your** consent in the Telematics Services Agreement between Dotsys Ltd and **you**;
- To **our** agents and service providers in connection with this agreement;
- If **we** are legally obliged to disclose that information by virtue of legislation, regulation or court order;
- For the purposes of addressing insurance fraud.

4. How Long we Retain Data

We will retain the information **you** have provided **us** and the data **we** collected for as long as is permitted by law. Information and data collected via the **box** will be kept for up to six years after the conclusion of **your** relationship with **us**.

5. Your Rights Regarding the Data

You have a right to access, correct or object to the use of, or request deletion or suppression of personal information on certain grounds. Please see “How **We** Use Personal Information” at page 42 of **your policy** for further information.

6. Box Installation

When **you** take out **your policy** or change **your car**, **we** or **our** approved installer will contact **you** to arrange for a **box** to be fitted to **your car**.

We will pay the cost of:

- The **box**;
- Fitting the **box**;
- Retrieving data from the **box**.

We will arrange to have the **box** fitted within 14 days of **you** taking out a **policy** with **us**. **We** will contact **you** to arrange a mutually convenient time and place to undertake the fitting. **We** reserve the right to nominate an alternative site near **your** home or place of work to fit the **box**.

If **we** so request, **you** must allow **us**, or **our** approved supplier, access to **your car** to retrieve the **box** in the event of **you** cancelling or not renewing **your policy** with **us**. Upon cancellation of **your policy**, **we** will remotely deactivate the **box**.

It is **your** responsibility to ensure that **you** have the agreement of any co-owner, hire purchase company or any other person that has a legal interest in **your car** before the **box** is installed. The **box** will be fitted discreetly by professional engineers who have been trained according to strict guidelines. The **box** is compatible with any type of vehicle and will not affect any manufacturer or aftermarket warranties that may apply to **your car**.

7. Late Cancellation of Appointment to Install Box

If **you** do not present **your car** at the time and location agreed with **us** or **our** installers for the installation or de-installation of the **box**, or if **you** cancel such an appointment with less than 24 hours notice then **we** reserve the right to charge **you** for the costs **our** approved installer incurs as a result.

8. Documents

To enable **us** verify the accuracy of information provided by **you** to **us**, the following documents must be sent to **us** within 14 days of **your policy** commencing:

- 1 **Your** driving licence;
- 2 Proof of **your** no claims bonus (if **you** are claiming any).

Failure to provide the required documentation may lead to **your policy** being cancelled within the terms set out in General Conditions 4 'Cancellation'.

When **our** approved installer comes to fit the **box** a photograph of **your car** will be taken.

9. Dealing with Faults and Limitations of Service

In the event of the **box** developing a fault during the **period of**

insurance, **we** will contact **you** and make all reasonable efforts to repair or (at **our** option) replace the **box** free of charge. **We** will arrange with **you** a mutually convenient time and place for a replacement **box** to be fitted. **You** must give us access to **your car** within 7 working days of being notified of the fault or, where there are exceptional circumstances that prevent **you** from doing so, within a reasonable time. Any kilometres driven during this time will not be included in calculating **your AIG Box Clever score**.

You accept that the **box** uses the battery power supply and so there may be a small drain on **your** battery even when **your car** is not being used. **You** accept it is **your** responsibility to maintain **your car** and battery in good working order. To help alert **you** of any battery issues, **we** will advise **you** if the **box** detects a low battery charge.

The collection and transmission of data by the **box** and the provision of the theft tracking may occasionally be impaired or interrupted by operational and/or atmospheric conditions, power failures, or other causes, conditions or events beyond **our** reasonable control or the capabilities of the **box**.

The transmission and receipt of data is dependent upon mobile telecommunications services and **you** acknowledge that this service may be interrupted, circumvented or compromised. If transmission of data is affected in the manner described in this paragraph, this does not necessarily mean the **box** is defective. However, **we** will make reasonable efforts to rectify the problem with such transmission where it is possible for **us** to do so.

Where there is no GPS signal the **box** has no data to record so any kilometres driven during this time will not be included in calculating **your** **AIG Box Clever score**.

During the **period of insurance** **we** may, at **our** discretion, replace the **box** at **our** expense with any other telematic unit providing **you** with at least the same functionality. This will enable **us** to ensure the **box** is updated if there are technological changes or improvements.

10. Your Driving

Once the **box** is installed, just drive as **you** normally would. The **box** allows us to understand how safely **you** drive **your car**, how far **you** travel and when **you** use it.

We use the data the **box** sends to **us** to provide **you** with **your** **AIG Box Clever score** based on how safely **we** interpret **your** driving. **You** can view **your** **AIG Box Clever score**, and see how it has changed over time on www.ratemydriving.ie, **your** own personal dashboard website.

Your **AIG Box Clever score** can be affected by the way other people drive **your car** and it is **your** responsibility that **insured persons** are aware of this.

11. Kilometres and Calculating Your AIG Box Clever Score

When **you** take out a **policy** **you** choose the number of **policy** kilometres **you** require. If **you** use up all of **your policy** kilometres and any reward kilometres **you** may have been allocated before the end of the **period of insurance**, **you** must buy **top up kilometres** or **we** will cancel **your policy**. **You** can buy **top up kilometres** in bundles of 400, 800 or 1,500 kilometres at any time during the **period of insurance**.

Important

Please choose the level of kilometres **you** require carefully as it is more expensive to choose

a lower level of **policy kilometres** plus **top up kilometres** than it is to buy the higher number of **policy kilometres** at the start of **your policy** or at renewal.

If **you** use up the kilometres **you** have purchased (including any **top up kilometres**) or have been rewarded and **you** choose not to purchase additional kilometres then **we** will cancel this **policy**. Please refer to General Conditions 4 'Cancellation'.

If **you** have not used all of **your** kilometres when the **policy** is due to be renewed, any of the original **kilometres** that are not used are lost and are not credited to the next **period of insurance**. There is no financial exchange for unused **kilometres**. However, any unused top up and/or **reward kilometres** will be credited to **your overall kilometres** for the next **period of insurance**.

When **your policy** is renewed, **you** will receive a renewal notice based upon the number of **policy kilometres** **we** think **you** will need however, **you** can amend this level if **you** wish. Any top-up and/or **reward kilometres** that have been carried forward are used first before the new **policy kilometres**.

A high **AIG Box Clever score** is achieved where **we**, in **our** absolute discretion, determine that **you** have demonstrated good driving behaviour. which is based on the overall driving of the car including any others driving **your car**.

Driving behaviour will be calculated to reflect the risk of **you** making a claim rather than determining how skilful **you** are as a driver.

Important

Please note that although **you** may start earning **reward kilometres** immediately (by having a high **AIG Box Clever Score**), **you** will not be able to see them on www.ratemydrive.ie for the first 3 months after **your period of insurance** commences. During this time **we** will be collecting information from the telematics boxes of all **our** customers to ensure that **we** deliver to **you** a system which accurately and fairly rewards good driving behaviour. Only the **policyholder** and any **insured person** named on **your current certificate of motor insurance** may drive **your car**.

12. Premiums

We will not increase **your** premium in the first year based on the data obtained from the **box** or cancel **your policy** based on data

obtained from the **box** (unless **you** are found to be driving **your car** in excess of 160kph or **we** may cancel otherwise in accordance with the terms and conditions of **your policy**).

However if **you** use up all of **your** initial allocation of kilometres during the **period of insurance** and **you** have not been allocated **reward kilometres**, in order to continue **your** insurance cover for the remainder of the **period of insurance**, **you** will have to purchase **top up kilometres** at an additional cost to **you**.

On renewal **your** premium may be increased or decreased taking into account **your** **AIG Box Clever score** in the previous **period of insurance** (and any other relevant terms of **your policy**).

13. Speed

Important – Speeding

- a) If the **box** detects that your car has been driven at 160km/h or over on a public road, **your policy** will be cancelled under the terms shown in General Conditions 4 ‘Cancellation’.
- b) If the **box** detects that **your car** has persistently been driven above the speed limit and **we** have given **you** at least three speeding warnings, **your policy**

will be cancelled under the terms shown in General Condition 4 ‘Cancellation’.

Persistently means **the box** has detected a **dangerous speeding event** a further two times after our second speeding warning.

Dangerous speeding event

For the purposes of this section of the **policy** and general condition 4, a **dangerous speeding event** occurs where the **box** detects that **your car** has been driven 25% or more above the speed limit for the road being travelled on.

For example where the speed limit is:

40km/h, a **dangerous speeding event** occurs if your car has been driven at 50km/h or over;

60km/h, a **dangerous speeding event** occurs if your car has been driven at 75km/h or over;

100km/h, a **dangerous speeding event** occurs if your car has been driven at 125km/h or over;

120km/h, a **dangerous speeding event** occurs if your car has been driven at 150km/h or over.

Speeding Warning

You will be given a speeding warning (as outlined below) where

the box detects that your car has been driven above the **speed limit**.

Speeding Warning 1 - **You** will be given a speeding warning where the **box** detects more than two **dangerous speeding events** (i.e. the speeding warning will be given on detection of the third **dangerous speeding event**).

Speeding Warning 2 – **You** will be given a second speeding warning where the **box** detects a further two **dangerous speeding events** after the first speeding warning. The second speeding warning will warn **you** that the **policy** will be cancelled if **you** continue to speed.

Notice of cancellation – **You** will be given notice of cancellation of **your policy** where the **box** detects a further two **dangerous speeding events** after the second speeding warning.

14. Theft Tracking

You must report the theft to the Gardai and obtain a Garda Incident Number, to verify a theft has taken place and **you** must report the incident to **our** claims department on 01 8599700.

You will be responsible for any charges in respect of storage or recovery of **your car** by the Gardai.

15. Accident Tracking

By virtue of the existence of GPS tracking functionality, **we** should be aware if an accident occurs. Where possible **we** will aim to contact **you** on the number **you** supplied to **us** when the **policy** was arranged or renewed and will take the actions necessary to get **you** mobile again. If **your car** is not safe to be driven, **we** will arrange for **your car** to be taken for repair in accordance with the terms of **your policy**.

However, **you** must contact the emergency services or report the accident to the Gardai after an accident has occurred and **you** must report the accident to **our** claims department on 01 8599700.

16. Tampering

The **box** has tamper controls and attack safe guards. If the intelligent alert system is triggered it will notify **us** of any unauthorised tampering with the **box**. An investigation will be initiated and a physical inspection by an engineer will be required.

You must not, nor may **you** allow any other person to tamper with, reverse engineer, dismantle, remove the SIM from, relocate or make any alterations, additions or improvements to any part of the **box**.

You must not, nor may **you** allow any other person to tamper with the GPS signal that is emitted from the **box**.

Whilst **you** are a **policyholder**, no one other than **us** and/or **our** approved installer may install, remove, modify or repair the **box**. Please note that tampering with the **box** will invalidate all warranties relating to the **box** and installation, and also invalidate the insurance cover provided. Damage or loss caused by any form of tampering or non-permitted interaction with the **box** is not covered by this insurance **policy**.

If, following an investigation, **you** or anyone else is proven to have tampered with the **box**, **you** will be required to pay for any reasonable costs **we** may have incurred including removing, repairing or replacing the defective **box** or parts thereof. **Your** insurance **policy** will also be cancelled and **you** will be liable for the disconnection and cancellation fees shown within the terms set out in General Conditions 4 'Cancellation'.

17. Claims

Data obtained from the **box** may be used by **us** to assess claims. If **you** have a claim during the **period of insurance your AIG**

Box Clever score will not be affected.

Your policy will be subject to existing claims criteria at renewal.

18. Driving your car Abroad

In some countries while **you** are driving **your car** abroad, **your** driving data may be recorded but not transmitted. If this occurs the **box** will transmit some or all of **your** driving data to us when **you** return to the Republic of Ireland.

The data transmitted to **us** upon **your** return to the Republic of Ireland will be used in the calculation of **your AIG Box Clever score**.

19. Forcibly Cancelling your policy based on Telematics Data.

We reserve the right to forcibly cancel your policy should the box data continue to indicate dangerous driving, such as persistent speeding, and **we** have given **you** due warning as detailed under sub-section 13 of the telematics section of this policy.

If **we** force cancel **your policy**, **we** will give **you** 10 working days written notice to **your** last known address. All cover will cease from that date.

How do we create dangerous speed warnings?

The telematics box contains multiple sensors which relay information to us in real time.

GPS location data is used to generate speed information from **your** car for each trip taken which is compared with the road network speed limits.

A dangerous speed warning is created where the box data detects the car travelling 25% or more above the speed limit of the road network. See sub-section 13 "Speed" for more detailed information.

▲ WARNING: If we forcibly cancel **your policy** it may affect **your** ability to obtain car insurance cover.

General Conditions

These General Conditions apply to all sections of this **policy**.

1. General

We will only provide the cover described in this **policy** if:

- **You**, or any person claiming indemnity or on whose behalf indemnity is claimed has complied with all of the terms and conditions that apply.

2. Policy Changes

You must tell **us** immediately about any changes which affect this **policy** and which have occurred since the **period of insurance** commenced or since the last renewal date including, but not limited to, the following:

This is not a full list and if **you** are in any doubt **you** should advise **us** for **your** own protection. If **you** do not tell us about changes, **your policy** may not cover **you** fully or at all.

If **you** sell **your car you** must notify the new owner that a **box** has been installed.

3. Cancellation (You)

You may cancel this **policy**:

- a) At any time by notifying us and returning the **certificate of motor insurance**. Note that cancellation will only take effect upon receipt of the **certificate of motor insurance**.
- b) Provided no claim has been made or has arisen under this **policy** prior to cancellation during the current **period of insurance you** will be entitled to a refund of **premium** less a charge reflecting the cover **we** have provided up to the cancellation of **your policy**. This charge will be calculated on a proportionate basis on either the period of cover **you** have received or the **kilometres you** have used whichever amount is higher. If

the **box** has already been fitted to **your car**, or had been fitted to a car **you** previously insured with **us**, **you** will be charged an additional cancellation fee of €125 to cover the cost of the provision of the **box**.

The **box** will be left in place in a disconnected state and will not collect or transmit any data. On occasion **we** may request the physical removal of the **box** from **your car** in which case **you** must allow **us** access to the car to retrieve the **box** if requested by **us**.

- c) If **you** cancel **your policy** at renewal the **box** will be left in place and **we** will remotely deactivate the **box** so that it cannot collect or transmit any data. If **you** request that the **box** is removed then a charge of €125 will apply.

These fees will be subject to any taxes and/or Government levies where appropriate.

In the event that the amount **you** owe upon cancellation is greater than the amount of refund calculated, **we** will be entitled to charge **you** for the balance owed by **you**.

4. Cancellation (Us)

We may cancel this **policy**:

- a) By giving **you** 10 working days written notice to **your** last known address. All cover will cease from that date. **You** must immediately return the **certificate of motor insurance** to **us**.

Provided no claim has been made or has arisen under this **policy** prior to cancellation **you** will be entitled to a refund of **premium** reflecting the cover **we** have provided up to the cancellation of **your policy**. This charge will be calculated on a proportionate basis on either the period of cover **you** have received, or the **kilometres you** have used whichever amount is higher.

These fees will be subject to any taxes and/or Government levies where appropriate.

- b) From the commencement date of **your policy** if **you** do not pay **your** premium. **You** must, upon cancellation, return the certificate of motor insurance to **us**.
- c) If **you** use up all the **kilometres you** have purchased (including any **top up kilometres**) and any **kilometres you** have been

rewarded and **you** choose not to purchase **additional kilometres we** will write to **you** giving **you** 10 working days notice at **your** last known address. The **policy** will cease immediately when the 10 working day notice period expires unless during that period **you** have bought further **top-up kilometres**. Where the **policy** ceases, **you** must immediately return the certificate of motor insurance to **us**. **You** will not be entitled to any refund of premium in this event.

- d) If, following an investigation it is clear that the **box** has been tampered with.
- e) If the **box** detects that **your car** has been driven at 160kph or over on a public road.
- f) In the event of a total loss claim under this **policy** where **we** have decided to make a cash payment for not more than the market value of **your car** rather than repair or replace **your car**, **you** must immediately return the **certificate of motor insurance** to **us**. **You** will not be entitled to any refund of premium and all remaining premiums for the period of

this **policy** will immediately become due. **We** reserve the right to deduct this amount from the claims settlement.

Where the **policy** is cancelled by either party or not renewed, **we** will remotely deactivate the **box** so that the data is no longer collected or transmitted. In addition, if **we** so request, **you** must allow us, or **our** approved supplier, access to **your car** to retrieve the **box**.

5. 14-day Cooling off period

If **you** find that this **policy** does not meet **your** needs, return the documents to **us** within 14 consecutive days of receipt. Provided **you** have not made a claim, **your premium** will be refunded minus a pro rata charge for the time on cover. However, if the **box** has already been fitted to **your car**, or had been fitted to a car **you** previously insured with **us**, **you** will be charged a cancellation fee of €125 to cover the cost of the provision of the **box**.

6. Payment by Instalments

If **you** pay **your premium** by instalments under a credit agreement **you** must pay any deposit **we** ask **you** to pay and each instalment when it is due. **We** have only agreed to receive

the premium from **your** credit supplier on the condition that, if **you** default in payment of any of the instalments due to the credit supplier, and fail to comply with the resulting statutory notice, **we** will have the option to cancel the **policy** in accordance with the cancellation conditions set out above.

If **we** do so, provided no claim has been made or has arisen under this **policy** prior to cancellation, **you** will be entitled to a refund of premium less a charge reflecting the cover **we** have provided up to the cancellation of **your policy**. This charge will be calculated on a proportionate basis on either the period of cover **you** have received, in accordance with the cancellation refund table shown in item 7 below, or the **kilometres you** have used whichever amount is higher.

You must allow **us** access to the car to retrieve the **box** if requested by **us**.

These fees will be subject to any taxes and/or Government levies where appropriate.

You must pay any balance outstanding. If there has been any overpayment by **you**, this will then be refunded.

- take all reasonable steps to prevent accidents, injury, loss or damage;
- protect **your car** against loss or damage;

You must not, without **our** prior written consent:

- negotiate or admit liability or responsibility;
- make any offer, promise or payment.

We will be entitled to:

- appoint **our** own repairers to carry out any repair work to **your car**;

- take proceedings in **your** name or in the name of any other **insured person** claiming under the **policy**, at **our** own expense and for **our** own benefit to recover any payment **we** have made under the **policy**;
- exercise full discretion over the conduct of any proceedings and in the settlement of any claim;
- instruct, and give information about **you** and **your policy**, to other people such as suppliers, private investigators and loss adjusters in accordance with **our**

Privacy **Policy** which is available at www.aig.ie.

10. Payments Under Compulsory Insurance while travelling abroad

You must repay to us all amounts **we** pay for any claim under this **policy** which **we** would not have had to pay but for the laws of any territory in which the **policy** applies. This applies to claims for **your** liability to others and all expenses **we** have to pay in connection with any such payment.

11. Fraudulent or False Claims

If any claim or part of a claim made by **you** or any **insured person** is in any respect fraudulent or if any fraudulent means are used to obtain payment, including inflation or exaggeration of the claim or involves the submission of forged or falsified documents, then this **policy** shall become void and any claim under it will be forfeited. ADVICE ON HOW TO MAKE A CLAIM

This information does not form part of your contract of motor insurance. It is intended as a guide in the event that you need to make a claim.

One benefit of having a **box** fitted is that **we** should be aware if an accident occurs. Where possible **we** will aim to contact **you** on the number **you** supplied to us when the policy was arranged or renewed and will take the actions necessary to get **you** on **your** way or, if **your** car is not safe to be driven, we will arrange for **your** car to be taken for repair.

However, it is important that **you** do not assume that **we** will contact **you**, the Gardai or any emergency services after an accident has occurred. **You** should still take all necessary steps to protect **your** safety and report any accident to **us** and the appropriate emergency services.

WHO WILL DEAL WITH YOUR CLAIM?

AIG Europe S.A. will deal with **your** claim. **You** should therefore refer all enquiries to:

If we have not contacted **you**, first check **your schedule** to make sure **you** are covered for the loss or damage **you** are claiming for.

If **you** have been involved in an accident, or **your** car is damaged by fire or vandalism, **you** should contact **us** and **we** will advise **you** how to proceed. The telephone number is shown at the front of this policy document and above.

You will be asked to do the following:

1. Supply as much information as **you** can concerning the accident or incident. This may be by completing a Motor Accident Report Form or Motor Theft Report Form, whichever is appropriate.

WHAT TO DO IF YOUR CAR IS STOLEN?

Theft Tracking

The **box** fitted to **your car** has GPS tracking functionality. If **your** car is stolen, please call **our** Claims Helpline on the number above.

You will be required to report the theft to the Gardai and obtain a Garda Incident Number, to verify a theft has taken place. **You** will also need to report the incident to **our** claims department on 01 8599700.

If the windscreen or windows of your car are damaged, you should

- 2. **You** will be given advice on whether **your** windscreen can be repaired rather than replaced.
- 3. If it is not possible to repair **your** windscreen or if the damage is to the windows of **your** car, **we** will instead arrange for it to be replaced. **You** will be asked to pay the glass replacement excess shown on **your** schedule.
