Introduction to Your AIG Home Cover Policy

Welcome to Your AIG Home Cover Policy and thank You for arranging Your Home cover with Us.

Important Information

This is Your Home Cover policy. It is a contract of insurance between You and Us, AIG Europe S.A., and is made up of this policy wording, Your Home Cover Schedule and Your Completed Application Form. Please read these documents carefully.

Your Completed Application Form is based on all of the information You have provided to Us. Please check this information carefully and let Us know immediately if any part of this information is not correct.

Your Policy Cover Level

Our Home Cover Policy comes with two levels of cover:

- Plus
- Premium

Your Home Cover Schedule will indicate which cover option You have selected. You should read this Home Cover Policy wording and Your Home Cover Schedule together. Please check these documents carefully to make sure they give You the cover You want.

Throughout the body text of this policy wording, **cover limits** are bolded.

Cooling-Off Period

You have 14 days from the start date of the policy to write to Us at the address shown at the bottom of Your cover confirmation letter if You want to cancel Your Home Cover Policy. This is known as a cooling-off period.

If You cancel Your Home Cover Policy during this period of time, provided You have not made a claim, We will refund Your premium. However, You will be charged with a pro-rata premium for the period on risk, during the cooling-off period.

Your Pre-contractual duty of disclosure

You must answer all questions contained in Your application form honestly and with reasonable care. This includes the answers and/or information to any prior application form or Statement of Fact supplied to Us which was previously completed and provided by You. In the event of any inconsistency in Your responses to, or information supplied in the Completed Application Form and the Statement of

Fact the most recent answers and information supplied in the Completed Application Form will prevail.

Failure by You to answer all questions honestly and with reasonable care may result in your policy being cancelled or we may refuse to deal with any claims or reduce the amount of a claim payment, as detailed under the Impact of Misrepresentation section, which you should read carefully .

The answers you provide are the basis upon which an insurance cover quotation will be offered or refused.

You must contact us immediately or as soon as reasonably possible, if any of the answers or information provided is inaccurate, incorrect or has changed beyond what was reasonably contemplated when the contract of insurance was concluded as this may affect the cover provided and any claims made by you on your policy.

The Impact of any Misrepresentation by you, is as follows:

(a) Innocent Misrepresentation:

Where you have answered all questions in your application form honestly and with reasonable care but where you made an innocent misrepresentation (that is, one that is neither negligent nor fraudulent) we will pay any covered claim event subject to the terms and conditions of your policy.

(b) Negligent Misrepresentation:

If you make a negligent misrepresentation or fail to take reasonable care in completing your application form your cover may not fully operate and in the event of a claim

we will exercise one of the following remedies:

- (a) If knowing the full details we would not have entered into the insurance contract, we may avoid the contract, refuse all claims and return any premiums paid by you.
- (b) If we would have entered into the insurance contract, but on different terms (excluding terms relating to the premium), the contract may be treated as if it had been entered into on those terms.
- (c) If we would have entered into the insurance contract but have charged a higher premium, we may reduce proportionately the amount to be paid on your claim.
- (d) Where there is no outstanding claim under the insurance contract, we may either:
 - (i) give notice to you that in the event of a claim we will exercise the remedies in paragraphs (a) to (c), or
 - (ii) terminate the contract by giving reasonable notice to you.

(c) Fraudulent Misrepresentation:

If you make a fraudulent misrepresentation or where any conduct by you involves fraud of any kind we shall be entitled to avoid the contract of insurance and refuse any claims.

Inflation Protection

To protect You against the effects of inflation, Your Buildings and Contents Sum Insured, may be increased in line with an appropriate index* when Your policy falls due for renewal. If We do increase Your sums insured at renewal

time, We will inform You.

If the sums insured on your building and contents are less than the actual replacement value, you may not receive the full settlement associated with a claim. This is known as the Condition of Average, or Average Clause.

*For Buildings, You may wish to seek guidance from the Society of Chartered Surveyors of Ireland (SCSI) <http://www.scsi.ie> to help inform you in your calculation of your building's sums insured valuation. You may wish to seek an independent review with a quantity surveyor or assessor. Please note that any fee incurred by you in this process is not refundable by AIG.

When calculating the rebuild value of the property if it was completely destroyed you should include the costs associated with demolition, removal of debris, Local Authority and professional fees. You should also consider the cost of replacing all your fixtures and fittings in both your dwelling house and domestic outbuildings.

*For Contents, You may wish to seek guidance from the **Competition and Consumer Protection Commission (CCPC)** www.ccpc.ie to help inform you in your calculation of your content's sums insured valuation. As contents are unique to each individual, it is important that you review all the contents in your property on a room-by-room basis. The Contents sum insured should include all household goods, personal belongings, domestic contents including those in your garage or outbuildings, such as bicycles, lawnmowers or other domestic tools.

Please be aware that although we are applying indexation, this may not fully reflect the change in replacement value and protect you against inflation and the risk of under-insurance. You should consider any home improvements or structural amendments you may have undertaken or additional contents you may have purchased. The sums insured on both buildings and contents should be increased to reflect any changes.

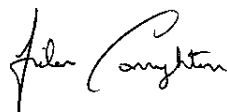

Contract of Insurance

This home cover policy, which includes and shall be read as one document with Your Home Cover Schedule, Endorsements and Your Completed Application Form, evidences a contract of insurance between You and Us.

Provided You have paid or agreed to pay the premium, We will, subject to the terms, conditions, limitations and exclusions of this policy, provide the insurance cover as described in the following pages for those sections of the Home Cover policy You have chosen. You agree to keep to the conditions of the policy.

Thank You for choosing AIG
