Important Terms in Relation to Your Telematics Policy

By taking out a telematics **policy you** agree to having a **device** professionally fitted to **your car** and to having **your** data collected and used as provided for below.

We issue **you** with a **certificate of motor insurance** and provide cover to **you** subject to the terms and conditions of **your policy** for an initial period of 12 months.

Your cover is connected to the number of kilometres that **you** drive. When **you** purchase **your policy** from **us**, **you** choose and pay for **policy kilometres** for the **period of insurance** which are measured when **you** drive **your car** by a **device** fitted to **your car**.

You can buy additional **top-up kilometres** if **you** need more than the **policy kilometres you** are allowed in any one **period of insurance**. Please see number 11 “**Kilometres and Calculating Your Driving Score**” in this section for more details.

You must notify all **insured persons** on **your policy** or any other person who drives **your car** that a **device** has been installed in **your car**, that **their** journey will be monitored, and data collected, that **you** will have visibility of their data via **your** online portal and provide **them** with the information set out in this **policy**

regarding the use of **their** personal information.

If **you** have a professionally fitted **device** as opposed to a self-install **device** and **you** sell **your car**, **you** must advise **us** of the sale of the car so that **we** can de-activate the **device** and **you** must also advise the new owner of the car that a **device** is fitted. If **you** have a self-install **device**, then **you** can transfer this to **your** new vehicle

1. Data to be Collected

The **device** will capture data from the date of installation via an electronic data feed which will translate the GPS co-ordinates from the **device** providing various information including the **speed limit** of the road, road type and the road surface **you** are driving on at that time.

The types of driving behaviour which will be recorded may include time and date of journey, distance travelled, location coordinates, speed, braking frequency and force, acceleration, and cornering.

We will collect this data in respect of any driving of **your car**. Therefore, **we** will collect this data in respect of **your** driving and all other **insured persons** or any other person driving **your car**.

2. Use of Data Collected

The data will be used to calculate **your telematics score**. In addition, **we** may aggregate information obtained from the data to conduct anonymous profiling and to develop **our** products and services.

Our agent will process and securely transmit the anonymised data to **us**.

We and **our agent** are data controllers as defined in the Data Protection Acts 2018 and the General Data Protection Regulation 2016/680 (GDPR).

We, our agent, and our service providers will process **your** information in accordance with the Data Protection Acts 2018 and the GDPR.

The information obtained through the **device** will be used by **us, our agent, or our** service providers:

- In respect of the installation, removal, deactivating, and servicing of the **device**;
- To provide **you** with data on “**Manage My Policy**” regarding **your** driving;
- In the calculation of **your telematics score** based upon **your** recorded driving behaviour;
- Where **you** make a claim;
- To provide **you** with theft tracking

in respect of **your car**;

- To aggregate information which **we** will use in the development of **our** products and services including the **telematics score** calculation.

Important information we would like to bring to your attention:

The information obtained from the **device** may be used by **us, our agents or our** service providers when handling a claim.

We may also use the **device** data to do the following:

- Create a simple pictorial reconstruction to understand the potential cause of an accident or crash;
- Reconstruct a full 3D view of the seconds leading up to and during the accident or crash;
- Establish an indication of expected damage to the **car**;
- Detect low velocity impacts and potential fraud;
- Use live GPS location data to track and recover **your car** due to theft.

We may receive accident reports in real time from the **device**. **We** may try to contact **you** by telephone to offer assistance if **we** deem an accident has occurred. Please see sub-section 13

“Accident Tracking” below for further information.

3. Disclosure to Third Parties

We may disclose information collected by the **device**:

- To **our agent** and service providers in connection with this agreement;
- If **we** are legally obliged to disclose that information by virtue of legislation, regulation, or court order;
- For the purposes of addressing insurance fraud.

4. How Long we Retain Data

We will retain the information **you** have provided **us** and the data **we** collected for as long as is permitted by law. Information and data collected via the **device** will be kept for up to six years after the conclusion of **your** relationship with **us**.

5. Your Rights Regarding the Data

You have a right to access, correct or object to the use of, or request deletion or suppression of personal information on certain grounds. Please see **our** “Privacy Policy” on page 30 of **your policy** for further information.

6. Device Installation – Professionally Fitted

When **you** take out **your policy**, **our**

agent or **their** approved installer will contact **you** to arrange for a **device** to be fitted to **your car**.

Our agent will pay the cost of:

- The **device**;
- Fitting the **device**;
- Retrieving data from the **device**.

Our agent will arrange to have the **device** fitted within 14 days of **you** taking out a **policy** with **us**. **Our agent** will contact **you** to arrange a mutually convenient time and place to undertake the fitting. **Our agent** reserves the right to nominate an alternative site near **your** home or place of work to fit the **device**.

If **we** so request, **you** must allow **our agent**, or **their** approved supplier, access to **your car** to retrieve the **device** in the event of **you** cancelling or not renewing **your policy** with **us**. Upon cancellation of **your policy**, **our agent** will remotely de-activate the **device**.

It is **your** responsibility to ensure that **you** have the agreement of any co-owner, hire purchase company or any other person that has a legal interest in **your car** before the **device** is installed.

The **device** will be fitted discreetly by professional engineers who have been trained according to strict guidelines.

The **device** is compatible with any type of vehicle and will not affect any manufacturer or aftermarket warranties that may apply to **your car**.

6.1 Late Cancellation of an Appointment to Install the Device

If **you** do not present **your car** at the time and location agreed with **our agent** or their installers for the installation or de-installation of the **device**, or if **you** cancel such an appointment with less than 24 hours' notice then **our agent** reserves the right to charge **you** €45 for the costs **our agent's** approved installer incurs as a result.

6.2 Documents

To enable **us** to verify the accuracy of information provided by **you** to **us**, the following documents must be sent to **our agent** within 14 days of **your policy** commencing:

- 1) **Your** driving licence;
- 2) Proof of **your** no claims bonus (if **you** are claiming any).

Failure to provide the required documentation may lead to **your policy** being cancelled within the terms set out in General Conditions 5 "Cancellation (Us)".

When **our agent's** approved installer comes to fit the **device** a photograph

of **your car** will be taken.

6.3 Dealing with Faults and Limitations of Service

In the event of the **device** developing a fault during the **period of insurance**, **our agent** will contact **you** and make all reasonable efforts to repair or (at **our** option) replace the **device** free of charge. **Our agent** will arrange with **you** a mutually convenient time and place for a replacement **device** to be fitted.

You must give **our agent** and their installers access to **your** car within 7 days of being notified of the fault or, where there are exceptional circumstances that prevent **you** from doing so, within a reasonable time. Any **kilometres** driven during this time will not be included in calculating **your telematics score**.

You accept that the **device** uses the battery power supply and so there may be a small drain on **your** battery even when **your** car is not being used. **You** accept it is **your** responsibility to maintain **your** car and battery in good working order. To help alert **you** of any battery issues, **our agent** will advise **you** if the **device** detects a low battery charge.

The collection and transmission of data by the **device** and the provision of the theft tracking may occasionally

be impaired or interrupted by operational and/or atmospheric conditions, power failures, or other causes, conditions or events beyond **our** reasonable control or the capabilities of the **device**.

The transmission and receipt of data is dependent upon mobile telecommunications services, and **you** acknowledge that this service may be interrupted, circumvented, or compromised. If transmission of data is affected in the manner described in this paragraph, this does not necessarily mean the **device** is defective. However, **our agent** will make reasonable efforts to rectify the problem with such transmission where it is possible for **them** to do so.

Where there is no GPS signal the **device** has no data to record so any **kilometres** driven during this time will not be included in calculating **your telematics score**.

During the **period of insurance**, we may, at **our** discretion, replace the **device** at **our** expense with any other telematic unit providing **you** with at least the same functionality. This will enable **us** to ensure the **device** is updated if there are technological changes or improvements.

6.4 Tampering

The **device** has tamper controls and

attack safeguards. If the intelligent alert system is triggered it will notify **our agent** of any unauthorised tampering with the **device**. An investigation will be initiated and a physical inspection by an engineer will be required.

You must not, nor may **you** allow any other person to tamper with, reverse engineer, dismantle, remove the SIM from, relocate or make any alterations, additions, or improvements to any part of the **device**.

You must not, nor may **you** allow any other person to tamper with the GPS signal that is emitted from the **device**.

Whilst **you** are a **policyholder**, no one other than **our agent** and/or their approved installer may install, remove, modify, or repair the **device**.

Please note that tampering with the **device** will invalidate all warranties relating to the **device** and installation, and also invalidate the insurance cover provided. Damage or loss caused by any form of tampering or non-permitted interaction with the **device** is not covered by this insurance **policy**.

If, following an investigation, **you**, or anyone else is proven to have tampered with the **device**, **you** will be

required to pay for any reasonable costs **our agent** may have incurred including removing, repairing, or replacing the defective **device** or parts thereof. **Your** insurance **policy** will also be cancelled, and **you** will be liable for the disconnection and cancellation fees shown within the terms set out in General Conditions 6 “Cancellation (Us)”.

7. Device – Self Installation

In some instances, rather than using a professionally fitted **device our agent** may post a **device** to **you** that can be self-installed into the 12 Volt Socket of **your** car.

Our agent will pay the cost of:

- The **device**;
- Retrieving data from the **device**.

You must fit the **device** within the first 10 days of **you** taking out a **policy** with **us**. If the **device** is not working within this period, **your policy** may be cancelled.

It is **your** responsibility to ensure that **you** have the agreement of any co-owner, hire purchase company or any other person that has a legal interest in **your car** before the **device** is installed.

The **device** is compatible with any type of vehicle and will not affect any manufacturer or aftermarket

warranties that may apply to **your car**.

7.1 Documents

To enable **us** to verify the accuracy of information provided by **you** to **us**, the following documents must be sent to **our agent** within 14 days of **your policy** commencing:

- 1) **Your** driving licence;
- 2) Proof of **your** no claims bonus (if **you** are claiming any).

Failure to provide the required documentation may lead to **your policy** being cancelled within the terms set out in General Conditions 5 “Cancellation (Us)”.

7.2 Dealing with Faults & Limitations of Service

In the event of the **device** developing a fault during the **period of insurance**, **our agent** will contact **you** and make all reasonable efforts to repair or (at **our** option) replace the **device** free of charge.

You accept that the **device** uses the battery power supply and so there may be a small drain on **your** battery even when **your car** is not being used. **You** accept it is **your** responsibility to maintain **your** car and battery in good working order. To help alert **you** of any battery issues, **our agent** will advise **you** if the **device** detects a low battery charge.

The collection and transmission of data by the **device** and the provision of the theft tracking may occasionally be impaired or interrupted by operational and/or atmospheric conditions, power failures, or other causes, conditions or events beyond **our** reasonable control or the capabilities of the **device**.

The transmission and receipt of data is dependent upon mobile telecommunications services, and **you** acknowledge that this service may be interrupted, circumvented, or compromised. If transmission of data is affected in the manner described in this paragraph; this does not necessarily mean the **device** is defective. However, **our agent** will make reasonable efforts to rectify the problem with such transmission where it is possible for **them** to do so.

Where there is no GPS signal the **device** has no data to record so any **kilometres** driven during this time will not be included in calculating **your telematics score**.

During the **period of insurance**, we may, at **our** discretion, replace the **device** at **our** expense with any other telematic unit providing **you** with at least the same functionality. This will enable **us** to ensure the **device** is updated if there are technological changes or improvements.

7.3 Tampering/Removal

The **device** has tamper controls and attack safeguards. If the intelligent alert system is triggered it will notify **our agent** of any unauthorised tampering with the **device**.

You must not, nor may **you** allow any other person to tamper with, reverse engineer, dismantle, remove the SIM from, relocate or make any alterations, additions, or improvements to any part of the **device**.

You must not, nor may **you** allow any other person to tamper with the GPS signal that is emitted from the **device**.

Please note that tampering with the **device** will invalidate all warranties relating to the **device** and installation, and also invalidate the insurance cover provided. Damage or loss caused by any form of tampering or non-permitted interaction with the **device** is not covered by this insurance **policy**.

If, following an investigation, **you**, or anyone else is proven to have tampered with the **device**, **you** will be required to pay for any reasonable costs **our agent** may have incurred including removing, repairing, or replacing the defective **device** or parts thereof. **Your** insurance **policy** will also be cancelled, and **you** will be

liable for the disconnection and cancellation fees shown within the terms set out in General Conditions 5 “Cancellation (Us)”.

8. Your Driving

Once the **device** is installed, just drive as **you** normally would. The **device** allows **us** to understand how safely **you** drive **your car**, how far **you** travel and when **you** use it.

We use the data the **device** sends to **us** to provide **you** with **your telematics score** based on how safely **we** interpret **your** driving. **You** can view **your telematics score** and see how it has changed over time by selecting “**Manage My Policy**” from the home page and logging into **your** online portal. As **we** collect more data, **we** are constantly updating the way that **we** generate all driving scores, and this can affect **your** driving score and any future **driving score discount**.

Your telematics score can be affected by the way other people drive **your car** and it is **your** responsibility that insured persons are aware of this.

9. Kilometres and Calculating Your Driving Score

When **you** first take out a **policy** with **us** **you** choose the number of **policy kilometres** **you** require. If **you** use up all of **your policy kilometres**, **you**

must buy top up **kilometres**, or **we** will cancel **your policy**. **You** can buy **top up kilometres** in bundles of 1,000 up to 6,000 kilometres at any time during the **period of insurance**. Top up **kilometres** will be charged at **your** cost per **kilometre** rate which can be found on **your** online portal.

Important

Please choose the level of **kilometres** **you** require carefully as it is more expensive to choose a lower level of **policy kilometres** plus top up **kilometres** than it is to buy the higher number of **policy kilometres** at the start of **your policy**.

If **you** use up the **kilometres** **you** have purchased (including any top up **kilometres** and **you** choose not to purchase additional **kilometres**, then **we** will cancel this **policy**. Please refer to General Conditions 5 “Cancellation (Us)”.

If **you** have not used all of **your kilometres** when the **policy** is due to be renewed, any of the original **kilometres** that are not used are lost and are not credited to the next **period of insurance**. There is no financial exchange for unused **kilometres**.

When **your policy** is due for renewal, **we** will base **your** premium on **your** driving score but **we** may remove any

limit on the number of **kilometres you** can drive.

A high **telematics score** is achieved where **we**, in **our** absolute discretion, determine that **you** have demonstrated good driving behaviour, which is based on the overall driving of the **car** including any others driving **your car**.

Driving behaviour will be calculated to reflect the risk of **you** making a claim rather than determining how skilful **you** are as a driver.

Important

Only the **policyholder** and any **insured person** named on **your current certificate of motor insurance** may drive **your car**.

10. Premiums

We will not increase **your premium** in the first year based on the data obtained from the **device**. **We** may cancel **your policy** based on data obtained from the **device** if it indicates dangerous driving behaviour (for example if **you** are found to be driving **your car** in **excess** of 160kph) and **we** may cancel otherwise in accordance with the terms and conditions of **your policy**.

However, if **you** use up all of **your** initial allocation of **policy kilometres**

during the first **period of insurance**, in order to continue **your** insurance cover for the remainder of the **period of insurance**, **you** will have to purchase top up **kilometres** at an additional cost to **you**.

On renewal **your premium** may be increased or decreased taking into account **your telematics score**, **kilometres driven and driving behaviour** in the **previous period of Insurance** (and any other relevant terms of **your policy**).

11. Speed

Important - Speeding

- a) If the device detects that **your car** has been driven at 160kph or over on a public road, **your policy** will be cancelled under the terms shown in General Conditions 5 "Cancellation (**Us**)".
- b) If the device detects that **your car** has persistently been driven above the **speed limit** and **we** have given **you** at least three speeding warnings, **your policy** will be cancelled under the terms shown in General Condition 5 "Cancellation (**Us**)". Persistently means the device has detected a dangerous speeding event a further two times after **our** second speeding warning.

Dangerous Speeding Events

For the purposes of this section of the policy and General Condition 5 “Cancellation (Us)”, a dangerous speeding event occurs where the **device** detects that **your car** has been driven 25% or more above the speed limit for the road being travelled on.

For example, where the **speed limit** is:

- 40kph, a dangerous speeding event occurs if **your car** has been driven at 50kph or over;
- 60kph, a dangerous speeding event occurs if **your car** has been driven at 75kph or over;
- 100kph, a dangerous speeding event occurs if **your car** has been driven at 125kph or over;
- 120kph, a dangerous speeding event occurs if **your car** has been driven at 150kph or over.

Speeding Warnings

You will be given a speeding warning (as outlined below) where the device detects that **your** car has been driven above the speed limit.

Speeding Warning 1

You will be given a speeding warning where the device detects more than two dangerous speeding events (i.e. the speeding warning will be given on detection of the third dangerous speeding event).

Speeding Warning 2

You will be given a second speeding warning where the **device** detects a further two dangerous speeding events after the first speeding warning.

The second speeding warning will warn **you** that the **policy** will be cancelled if **you** continue to speed.

Notice of Cancellation

You will be given notice of cancellation of **your policy** where the **device** detects a further two dangerous speeding events after the second speeding warning.

12. Theft Tracking

You must report the theft of **your car** to the Gardai and obtain a Garda Incident Number, to verify a theft has taken place and **you** must report the incident to **our** claims department on **01 859 9700**. **You** will be responsible for any charges in respect of storage or recovery of **your car** by the Gardai.

13. Accident Tracking

By virtue of the existence of GPS tracking functionality, **we** should be aware if an accident occurs. Where possible **we** will aim to contact **you** on the number **you** supplied to **us** when the **policy** was arranged or renewed and will take the actions necessary to get **you** mobile again. If **your car** is not safe to be driven, **we** will arrange for **your car** to be taken for repair in accordance with the terms of **your policy**.

However, **you** must contact the emergency services or report the accident to the Gardai after an accident has occurred and **you** must report the accident to **our** claims department on 01 859 9700.

14. Claims

Data obtained from the **device** may be used by **us** to assess claims. If **you** have a claim during the **period of insurance your telematics score** will not be affected.

Your policy will be subject to existing claims criteria at renewal.

15. Driving Your Car Abroad

In some countries while **you** are driving **your car** abroad, **your** driving data may be recorded but not transmitted. If this occurs the **device** will transmit some or all of **your** driving data to **us** when **you** return to the Republic of Ireland. The data transmitted to **us** upon **your** return to the Republic of Ireland will be used in the calculation of **your telematics score**.

16. Forcibly Cancelling Your Policy Based on Telematics Data

We reserve the right to forcibly cancel **your policy** should the telematics data from the installed **device** in **your car** indicate dangerous driving behaviour, such as for example, dangerous speeding, braking, acceleration, cornering, or lateral movements. Please note the list above are only examples of dangerous driving behaviour, it is not an exhaustive list and **we** may deem other conduct to indicate dangerous driving behaviour.

If **we** force cancel **your policy**, **we** will give **you** 10 working days written notice to **your** last known address. All cover will cease from that date.

We reserve the right to forcibly cancel **your policy** should the **Device**

indicate persistent speeding and **we** have given **you** due warning as detailed under sub-section 13 “Speed” of the telematics section of this **policy**.

How do we create dangerous speed warnings?

The **device** contains multiple sensors which relay information to **us** in real time. GPS location data is used to generate speed information from **your car** for each trip taken which is compared with the road network speed limits.

A dangerous speed warning is created where the box data detects the car travelling 25% or more above the speed limit of the road network. See sub-section 11 “Speed” for more detailed information.

WARNING: If **we** forcibly cancel **your policy**, it may affect **your** ability to obtain car insurance cover.

General Conditions

These General Conditions apply to all sections of this **policy**.

- **You**, or any person claiming indemnity or on whose behalf indemnity is claimed has complied with all of the terms and conditions that apply.

In the event of any inconsistency in **your** responses to, or information supplied in any proposal forms, or the **Statement of Fact** the most recent answers and information supplied in the **Statement of Fact** will prevail.

Failure by **you** to answer all questions honestly and with reasonable care may result in this **policy** being cancelled or **we** may refuse to deal with any claims or reduce the amount of a claim payment in particular which alters the subject matter of **your** Contract of Insurance, as detailed under the Impact of **Misrepresentation** condition.

You must either immediately or as soon as reasonably possible inform **us** if any of the answers or information given in the completed proposal form or **Statement of Fact** is inaccurate or has changed.

It is recommended that **you** keep a record (including copies of letters) of all information supplied for the purpose of this insurance. Should **we** take any of these actions against **you**, **you** will be obliged to disclose them on any future request for cover or quotation with **us** or any other **insurer**. These are considered as the application of Terms and this enforced action by **us**, may affect **your** ability to get insurance cover in the future.

In addition, by agreeing to the answers and/or information produced in the **Statement of Fact** **you** represent to **us** that in respect of any information of any person which **you** provide to **us**, **you** have the authority of that person to disclose such information to **us** and for all the purposes set out in this **policy** and to give the consents set out above on behalf of each such person.

We reserve the right to reassess cover and **premium** following notification of any important information. If any claim under this **policy** (other than under Section 2 – Liability to Third Parties) is in any respect fraudulent, or if any fraudulent means or devices are used by **you**

or any person acting on **your** behalf to obtain any benefit under this **policy** **you** will forfeit all benefits under the **policy**. Any person claiming indemnity under this **policy** must adhere to the terms and conditions of the **policy**.

3. Policy Changes

- You** change **your** phone number including **your** mobile phone number so that **we** can contact **you** in the event of an accident.

This is not a full list and if **you** are in any doubt **you** should advise **us** for **your** own protection. If **you** do not tell **us** about changes, **your policy** may not cover **you** fully or at all.

If **you** sell **your car** **you** must notify the new owner that a **device** has been installed.

4. Cancellation (You)

You may cancel this **policy**:

- At any time by notifying **us** and returning the **certificate of motor insurance**. Note that cancellation will only take effect upon receipt of the **certificate of motor insurance**.
- Provided no claim has been made or has arisen under this **policy** prior to cancellation during the current **period of insurance** **you** will be entitled to a refund of **premium** less a charge reflecting the cover **we** have provided up to the cancellation of **your policy**. This charge will be calculated on a proportionate basis on either the period of cover **you** have received or the **kilometres** **you** have used whichever amount is higher. If the **device** has already been fitted to **your car**, or had been fitted to a car **you** previously insured with **us**, **you** will be charged an additional cancellation fee of €125 to cover the cost of the provision of the **device**.

The **device** will be left in place in a disconnected state and will not collect or transmit any data. On occasion **we** may request the physical removal of the **device** from

your car in which case **you** must allow **us** access to the car to retrieve the **device** if requested by **us**.

- c) If **you** cancel **your policy** at renewal the **device** will be left in place and **we** will remotely deactivate the **device** so that it cannot collect or transmit any data. If **you** request that the **device** is removed then a charge of €125 will apply.

These fees will be subject to any taxes and/or Government levies where appropriate.

In the event that the amount **you** owe upon cancellation is greater than the amount of refund calculated, **we** will be entitled to charge **you** for the balance owed by **you**.

5. Cancellation (Us)

We may cancel this **policy**:

- a) By giving **you** 10 working days written notice to **your** last known address. All cover will cease from that date. **You** must immediately return the **certificate of motor insurance** to **us**.

Provided no claim has been made or has arisen under this **policy** prior to cancellation **you** will be entitled to a refund

of **premium** reflecting the cover **we** have provided up to the cancellation of **your policy**. This charge will be calculated on a proportionate basis on either the period of cover **you** have received, or the **kilometres you** have used whichever amount is higher.

These fees will be subject to any taxes and/or Government levies where appropriate.

- b) From the commencement date of **your policy** if **you** do not pay **your** premium. **You** must, upon cancellation, return the certificate of motor insurance to **us**.
- c) If **you** use up all the **kilometres you** have purchased (including any **top up kilometres**) **you** choose not to purchase **additional kilometres** **we** will write to **you** giving **you** 10 working days notice at **your** last known address. The **policy** will cease immediately when the 10 working day notice period expires unless during that period **you** have bought further **top-up kilometres**. Where the **policy** ceases, **you** must immediately return the certificate of motor insurance

to **us**. **You** will not be entitled to any refund of premium in this event.

- d) If, following an investigation it is clear that the **device** has been tampered with.
- e) If the **device** detects that **your car** has been driven at 160kph or over on a public road.
- f) In the event of a total loss claim under this **policy** where **we** have decided to make a cash payment for not more than the **Market value** of **your car** rather than repair or replace **your car**, **you** must immediately return the **certificate of motor insurance** to **us**. **You** will not be entitled to any refund of premium and all remaining premiums for the period of this **policy** will immediately become due. **We** reserve the right to deduct this amount from the claims settlement.

Where the **policy** is cancelled by either party or not renewed, **we** will remotely deactivate the **device** so that the data is no longer collected or transmitted. In addition, if **we** so request, **you** must allow **us**, or **our** approved supplier, access to **your car** to retrieve the **device**.

6. 14-day Cooling off period

If **you** find that this **policy** does not meet **your** needs, return the documents to **us** within 14 consecutive days of receipt. Provided **you** have not made a claim, **your premium** will be refunded minus a pro rata charge for the time on cover. However, if the **device** has already been fitted to **your car**, or had been fitted to a car **you** previously insured with **us**, **you** will be charged a cancellation fee of €125 to cover the cost of the provision of the **device**.

7. Payment by Instalments

If **you** pay **your premium** by instalments under a credit agreement **you** must pay any deposit **we** ask **you** to pay and each instalment when it is due. **We** have only agreed to receive the premium from **your** credit supplier on the condition that, if **you** default in payment of any of the instalments due to the credit supplier, and fail to comply with the resulting statutory notice, **we** will have the option to cancel the **policy** in accordance with the cancellation conditions set out above.

If **we** do so, provided no claim has been made or has arisen under this **policy** prior to cancellation, **you** will be entitled to a refund of premium

less a charge reflecting the cover **we** have provided up to the cancellation of **your policy**. This charge will be calculated on a proportionate basis on either the period of cover **you** have received, in accordance with the cancellation refund table shown in item 7 below, or the **kilometres you** have used whichever amount is higher.

You must allow **us** access to the car to retrieve the **device** if requested by **us**.

These fees will be subject to any taxes and/or Government levies where appropriate.

You must pay any balance outstanding. If there has been any overpayment by **you**, this will then be refunded.

8. Duty to Prevent Loss or Damage

You or any **insured person** must:

- maintain **your car** in a safe and roadworthy condition and, where required by law having regard to the age of **your car**, have a valid NCT certificate;

- take all reasonable steps to prevent accidents, injury, loss or damage;
- protect **your car** against loss or damage;

You must not, without **our** prior written consent:

- negotiate or admit liability or responsibility;
- make any offer, promise or payment.

We will be entitled to:

- exercise full discretion over the conduct of any proceedings and in the settlement of any claim;
- instruct, and give information about **you** and **your policy**, to other people such as suppliers, private investigators and loss adjustors in accordance with **our** Privacy **Policy** which is available at www.aig.ie.

10. Other Insurance

If at the time of any incident which results in a claim under this **policy** there is any other insurance covering the same loss, damage or liability, **we** will only pay **our** rateable share.

11. Payments Under Compulsory Insurance while travelling abroad

You must repay to **us** all amounts **we** pay for any claim under this **policy** which **we** would not have

had to pay but for the laws of any territory in which the **policy** applies. This applies to claims for **your** liability to others and all expenses **we** have to pay in connection with any such payment.

12. Fraudulent or False Claims

If any claim or part of a claim made by **you** or any **insured person** is in any respect fraudulent or if any fraudulent means are used to obtain payment, including inflation or exaggeration of the claim or involves the submission of forged or falsified documents, then this **policy** shall become void and any claim under it will be forfeited. If **you** fail to notify **us** of any material changes which alter the subject matter of the **policy**, **your** whole **policy** or a section of it may be cancelled from the date of the material change and any claims declined. Please tell **us** if anything changes during the **period of insurance** so **we** can ensure **you** are appropriately covered. Cover for any material change in risk will only apply after it has been advised to **us** and if **we** have

agreed to cover it. **We** will then let **you** know of any change in **your** premium or **policy** terms.

21. Sanctions

The **Insurer** shall not be deemed to provide cover and the **Insurer** shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the **Insurer**, its parent company or its ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or the United States of America.

You will be required to report the theft to the Gardai and obtain a Garda Incident Number, to verify a theft has taken place. **You** will also need to report the incident to **our** claims department on 01 859 9700.

If the windscreen or windows of your car are damaged, you should:

1. Telephone **us** on 01 8599700. **You** will need **your** current **certificate of motor insurance** and **your statement of fact** and/or **schedule** ready to confirm that **you** are covered for this damage.
2. **You** will be given advice on whether **your windscreen** can be repaired rather than replaced.
3. If it is not possible to repair **your windscreen** or if the damage is to the windows of **your car**, **we** will instead arrange for it to be replaced. **You** will be asked to pay the glass replacement **excess** shown on **your schedule**.

Important

If **your car** is not safe to drive after an accident and **we** have not contacted **you** already, please telephone **us** on 01 859 9700 and **we** will arrange for someone to assist **you**. If **your car** cannot be made roadworthy within a reasonable time, **we** will arrange to take it to **our** approved repairer at **our** expense.

If **you** choose not to use **our** approved repairer but choose an alternative repairer:

- This may lead to a delay in arranging the repair of **your car**;
- **We** will not be able to provide **you** with a courtesy car or guarantee repairs;

- An additional **excess** of €250 will apply (in addition to any other **excess** shown elsewhere in this **policy** booklet or on **your policy schedule**).

Our employees and contractors will use all reasonable care and skill when providing the accident recovery service. However, they can refuse to provide services (or cancel **them**) if, in **their** opinion, **your** demands are excessive, unreasonable, or impractical.
